

Budget & Finance Advisory Committee Questions and Comments

Many Heritage Hunters work and are unable to attend day time meetings. So, as a convenience to our working members, as well as anyone who is unable to attend a budget meeting for any reason, we have set up an Email address so you submit any questions and/or comments you may have about our Association finances.

We will treat these Emails just as if you were at the meeting in person. This is how it will work:

1. Submit your question or comment to the Committee using the Budgetqandc@heritagehunt.org Email address. Please include your full name and address, no initials, nicknames, etc. If you attended in person you would be asked to sign in using your full name. We list the names of all persons attending the meeting in our Minutes.
2. You will receive an automated reply that your Email has been received.
3. Emails received the day prior to our meeting (we meet on the 3rd Wednesday of each month – 12 months a year) will be read to the Committee at the Resident Comments section of the Agenda. Please view our calendar under the Committees section of this web site for the dates of all regular monthly meetings, quarterly meetings with the Board of directors and budget hearings beginning in September.
4. If we are able to answer your question at the meeting the answer will appear in our monthly Minutes which are posted on this web site along with the answers to any questions raised by residents physically present at the meeting. If the answer has to be researched we will indicate so and post the answer in the next monthly Minutes. This allows the entire community to see the questions being asked and what the responses are. Comments will also be posted in that month's Minutes as well.

We hope this system will provide our residents with another input in the management of the Association.
